### Kennel Name Regulations

1. Once registered the kennel name becomes permanently assigned.
2. Kennel Names can be transferred by completing a new application and sending a notarized letter stating date and transfer of kennel name signed by owner(s).
3. Once the Kennel Name is accepted and registered with MASCA, no other breeder or owner will be permitted to use said Kennel Name without written permission of the recorded owner(s) of the Kennel Name.
4. If abandoned, kennel names can never be adopted by someone else.
5. Register only the Kennel Name to be used when naming the dog, i.e., BEST DOGS - BOTH words would have to be used in the name when registering the dog. (EXAMPLE Best Dogs He's My Buddy) It is suggested that the words Australian Shepherd, Aussies, Kennels, Farms, etc. be omitted from your Application for Kennel Name.
6. Kennel Name may be used as a prefix or a suffix.
7. A Kennel Name will only be recognized if it is registered with MASCA.

9. All owners of said Kennel Name must sign the Application for Kennel Name.

I have read, understand and agree to abide by this agreement.

I have read and hereby agree to abide by the MASCA Code of Ethics and By-Laws.
